RE: Dodge County Bridge Replacement
Structure No. C002714507
Engineering Agreement

2019 JAN 28 AM 7:20
RECEIVED
Dodge Co Highway Dept

Dear Sirs:

Speece Lewis Engineers is pleased to submit to you our proposal for the above referenced bridge replacement project. It is estimated that this site will be a concrete box culvert. Speece Lewis Engineers proposes the following:

- Provide Topography Survey
- Provide Hydrology/Hydraulic Study
- Provide Roadway Plans
- Provide Concrete Box Culvert Plans
- Apply for all applicable permits, including the following:
 - Army Corps of Engineers Nationwide Permit (Note: if an individual permit is required, a supplemental agreement for this additional work will be required.)
 - County Flood Permit
 - Storm Water Pollution Prevention Plan (SWPPP)
- Provide Plan Distribution to Contractors
- Attend Project Letting
- Provide Construction Engineering Services (these services will be supplemented to this agreement)

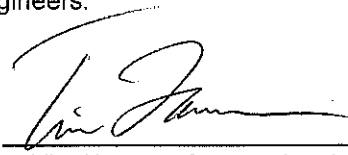

Speece Lewis proposes the following fee and payment schedule:

Topographic Survey and Drafting, billed after completion of the survey.	\$ 6,000
Hydrologic/Hydraulic Study, billed after completion of study.	\$ 4,500
Final Design Plans, roadway design, box culvert design, permits, attend bid letting, plan distribution, answer bid questions, billed monthly until letting date.	\$ 3,500

Construction Engineering fees will be negotiated at the time of construction and will be at an hourly rate plus expenses.

If you are in agreement with the scope and fees listed, please sign both agreements retaining one (1) copy for your files and return one (1) to Speece Lewis Engineers.

Chairman of the Board of Supervisors

Tim Farmer, Speece Lewis Engineers, Inc.
