Dear Mr. Mytty:

Enclosed is a copy of the application for a Construction and Operating Permit for the above referenced concentrated animal feeding operation, received by the Nebraska Department of Environmental Quality (Department), in accordance with Title 130, *Livestock Waste Control Regulations*.

The Dodge County Board has thirty (30) days to submit comments to the Department about any factors or conditions existing at the site that should be considered when making a decision on the application.

Please keep the enclosed copy of the application for your records. If the application is approved, the Department will send you a copy of the Construction and Operating Permit for your files.

If you have any questions, please contact me at (402) 471-6687.

Sincerely,
