Dear Township Official,

At yesterday morning's meeting of the Dodge County Board of Supervisors, they unanimously approved the concept of helping townships with FEMA eligible expenses due to damages caused by the March, 2019, flooding. Dodge County will probable sell bonds for our expenses and your expenses with the bonds expected to be paid in full once FEMA money is returned.

These are the steps we want you to take if you need the county's help:

1. As a governmental entity, register your township with FEMA and get a "Request for Public Assistance" (RPA) number immediately since FEMA's deadline on this disaster is April 20, 2019. Their website is <https://portal.fema.gov/famsVuWeb/home>
2. Get estimates on your projects and determine if you need the county's help.
3. Sign the attached Interlocal Agreement and send it to my office to be placed on our agenda
4. If you need the county's help, do the project and send a copy of their bill to Dodge County's Highway Department for review. Dodge County will send a check issued in your township name and you can pay the contractor.
5. Submit your paperwork to FEMA with documents showing it's a FEMA eligible expense.
6. Once you receive your FEMA reimbursement, you have 30 days to send that amount to Dodge County. We will send you a bill for any differences plus interest.

Dodge County has Sequoia Consulting do the paperwork to the federal government for us to receive funds to house child support enforcement personnel in the courthouse. They know the federal guidelines and always return funds to us. I asked them if they have staff that know FEMA regulations and if they help entities recover money from FEMA. If you don't want to do the paperwork, maybe a group of townships could hire them for a fee. David Lynn from York, Nebraska is his name and he quoted his hourly rate at \$125 per hour. His phone number is 317-418-3620.

Sincerely,

  
Fred Mytty
