Re: *Tort Claim of Dennis Krutilek*

Dear Mr. Mytty,

I represent Dennis Krutilek in connection with his claim for damages resulting from a February 21, 2019, motor vehicle collision involving a vehicle he was operating and a road maintainer operated by Bruce Brandenburg. I understand that at the time of the collision, which occurred on Highway 77 just south of Uehling, Mr. Brandenburg was operating the maintainer in the course of his employment with Logan Township, Dodge County, Nebraska.

Eyewitness accounts of the events in question establish Mr. Brandenburg's negligence caused the collision. Mr. Krutilek was severely injured and hospitalized as a result of the crash. He continues to experience medical impairments and pain and suffering resulting from the accident. He has incurred medical expenses and will continue to accrue medical expenses. The purpose of this letter is to notify you of his claim for damages in the event such notification is required by Neb.Rev.Stat. §13-905 (Reissue 2012). I have sent a similar letter to the Logan Township Board.

I have been in contact with an adjuster for Logan Township's liability insurance carrier. I look forward to a fair resolution of this matter.

Very truly yours,

Michael J. Tasset
