Dear Mr. Mytty:

Charter Communications "Charter" is making its customers aware that effective on or after October 31, 2020, customer bill statement dates and payment due dates will be changing. Customers are being notified of these changes via three separate message tactics: (1) bill message, (2) bill advertisement insert, and (3) a follow up bill statement message. If customers use our AutoPay feature, a customer's payment date will be the same as the due date. If customers pay by credit card, the date the credit card is charged may change in accordance with the customer's new due date, so customers may need to make adjustments with their financial institutions to account for the date changes.

If you have any questions about this change, please feel free to contact me at (402) 421-0378 or via email at jeremiah.blake@charter.com.

Sincerely,
