Dodge County Jail  
Steve Hespen, Sheriff  
428 N Broad St.  
Fremont, NE 68025

Dear Sheriff Hespen:

This is to confirm that on August 10, 2021, I will visit the Dodge County Jail in order to conduct an annual inspection for the Nebraska Jail Standards Board.

Please note that Standards requires policies and procedures that reflect all aspects of Nebraska Minimum Jail Standards. Additionally, standards chapters 2 through 13, requires documentation regarding jail operations. Please have the facility's SOP manual and jail records pertaining to personnel and training, detainee admission and release, facility security, detainee management including health services, food service, grievances and any inmate disciplinary reports available for the inspection.

Please ensure that this documentation is readily accessible as I will need to review this during the inspection.

Sincerely,

Daniel Evans, Field Representative  
Jail Standards Division
