

**INTERLOCAL COOPERATION ACT AGREEMENT
PLATTE RIVER CAMERAS/STREAM GAUGES
FOR
LOWER PLATTE NORTH NATURAL RESOURCES DISTRICT
PAPIO-MISSOURI RIVER NATURAL RESOURCES DISTRICT
DODGE COUNTY
AND
CITY OF FREMONT**

This Agreement (hereinafter named "Agreement") is made by and among the following Parties (all are political subdivisions of the State of Nebraska):

- Lower Platte North Natural Resources District (LPNNRD)
- Papio-Missouri River Natural Resources District (PMRNRD)
- Dodge County (County)
- City of Fremont (CITY)

The parties hereinafter being referred to individually as "Partner" and collectively as "Partners".

WHEREAS:

Flooding and resulting damages from winter ice jams and seasonal rainstorms frequently occur along the Lower Platte River corridor.

The Partners work closely with the National Weather Service, the Nebraska Emergency Management Agency and the Nebraska Department of Natural Resources to monitor winter ice/ice-out and flood stage conditions along the Lower Platte River corridor and take necessary actions to alert the public of resulting flood hazards.

The Partners desire to increase awareness of potential flood threats due to winter ice/ice-out conditions and other significant seasonal rainstorm events, by establishing cameras and additional water monitoring gauges at mutually agreed upon locations along the Lower Platte River corridor.

The Partners desire to enter into an Interlocal Agreement for sharing costs associated with purchasing and placing cameras, additional stream gauges and supporting equipment, for placement along the Lower Platte River corridor and for the future operation and maintenance of that equipment.

THEREFORE, in consideration of the foregoing recitals and their mutual covenants hereinafter expressed, the Partners agree as follows:

1. Authority:

The Partners desire to work together for purchasing and establishing cameras, stream gauges and supporting equipment, at mutually agreed upon Lower Platte River locations and to make the most efficient use of their respective powers by cooperating on a basis of mutual advantage under the auspices of the Interlocal Cooperation Act (Neb. Rev. Stat. §§ 13-801 to 13-827). In furtherance of this cooperative effort the Parties desire to enter into this Interlocal Agreement with one another for joint and cooperative action for any power or powers, privileges or authorities exercised or capable of exercise individually by them as public agencies under the Interlocal Cooperation Act. This Agreement is not intended to create a separate legal entity as between the Partners.

2. Funding for Cameras, Stream Gauges & Supporting Equipment:

The Partners agree to provide assistance toward the local costs for up to five (5) cameras, two (2) stream gauges and supporting equipment as follows:

PMNRD:	\$18,630
LPNNRD:	\$6,750
City of Fremont:	\$6,750
Dodge County:	\$6,750
Total Equipment Expense:	\$38,880

3. Cameras/Stream Gauges Operation and Maintenance Expenses:

The Partners agree to equally share on-going camera/stream gauge operation and maintenance expenses for three years, not to exceed an annual average total cost of \$20,175 total cost (\$5,044 annual maximum average cost for each Partner). It shall be the LPNNRD's sole discretion to determine when and how operation and maintenance is to be conducted and to then bill each Partner accordingly.

4. Authorized Partner for Entering into USGS Agreement/Billings:

The Partners agree that LPNNRD will enter into a three-year agreement with USGS for purchasing up to five cameras, two stream gauges and for operation and maintenance of the equipment. LPNNRD will bill each Partner for their share annually.

5. Effective Date:

This Agreement becomes effective upon execution by all Partners. The original copy of this Agreement will be maintained as part of the records of LPNNRD, with a copy being provided to each of the Partners. The Agreement may be signed electronically and in counterparts.

6. Duration of Agreement:

This Agreement shall extend from the date of execution by all Partners and will remain in effect until September 30, 2024, unless mutually or individually terminated by one or more of the Partners upon an advance 90 day written notice.

Provided, however, termination cannot effect the initial obligations of the Partners as the LPNNRD will be bound to the three year term with USGS so the parties are committing to at least that length of term.

7. Amendments, Assignments, Severability and Integration:

This Agreement may be amended, or Addendums added, subject to written approval by all Partners. This Agreement may not be assigned without the express written permission of the other Partners to this Agreement. If any portion of this Agreement is held invalid, the remainder hereof shall not be affected thereby if such remainder would then continue to conform to the terms and requirements of applicable law. This Agreement constitutes the entire agreement between the Partners with respect to the subject matter herein and merges all prior discussions between them. It shall not be modified except by written agreement dated subsequent to the date of this Agreement and signed by all Partners.

8. Indemnification:

The Partners assume no liability under this Agreement unless expressly accepted herein. Each party agrees to defend the other from and against all liabilities, obligations, losses, damages, claims, and demands arising from the acts of its own respective officers, agents, or employees. Liability includes any claims, damages, losses, and expenses arising out of or resulting from performance of this Agreement that results in any claim for damage whatsoever including any bodily injury, civil rights liability, sickness, disease, or damage to or destruction of tangible property, including the loss of use resulting therefrom. Further, each Partner shall maintain a policy or policies of insurance (or a self-insurance program), sufficient in coverage and amount to pay any judgments or related expenses from or in conjunction with any such claims. Nothing in this Agreement shall require any Partner to indemnify or hold harmless the other Partners from liability for the negligent or wrongful acts or omissions of said other Partners or its principals, officers, or employees.

IN WITNESS WHEREOF, each Partner has caused this Agreement to be executed by its duly authorized officer as of the date and year.
