Subject: Attn Fred Mytty - ENOA Additional County funding

Good Morning Fred,

Thank you for our conversation yesterday regarding the additional Dodge County funds to be allotted to the Eastern Nebraska Office On Aging – specifically for our Rural Transportation Program. Can you please verify that the following amount, \$11,223/year will be added to ENOA’s current Dodge County funding (\$90,234/year) as well as the date of approval and expected date the funding will be received? Thank you again for your support for our agency and the important services we provide to the residents of Dodge County.

Trish Bergman
ENOA Executive Director
