## 5. PROGRAM SUMMARY

Brief narrative description of the project for which CVB funds are requested – please specifically describe visitor traffic. Include project budget.

Please attach additional documentation if needed.

Mainstreet of Fremont is asking for a donation of \$25,000 to help cover the cost of an installation of an outdoor wireless sound system in a portion of the downtown. The location of a master station is known (Mainstreet Office), but the locations of the wireless speakers will need to be selected and designed. Mainstreet believes that having a speaker system in the downtown area will create a memorable experience for shoppers and visitors to the area. It will also be convenient for Mainstreet events that promote downtown businesses such as the Christmas Walk to play Christmas music and other big events that draw a large number of people.

## 6. CERTIFYING OFFICIALS
