RE: Dodge County Bridge Replacement
Structure No. C002701225
Engineering Agreement

Dear Board Members:

Speece Lewis Engineers is pleased to submit the following proposal for the above referenced bridge replacement project. It is estimated that this site will be a concrete box culvert. Speece Lewis Engineers proposes the following services:

- Provide Topography Survey
- Provide Hydrology/Hydraulic Study
- Provide Roadway Plans
- Provide Concrete Box Culvert Plans
- Apply for all applicable permits, including the following:
 - Army Corps of Engineers Nationwide Permit (Note: if an individual permit is required, a supplemental agreement for this additional work will be required.)
 - County Flood Permit
 - Storm Water Pollution Prevention Plan (SWPPP)
- Provide Plan Distribution to Contractors
- Attend Project Letting
- Provide Construction Engineering Services (these services will be supplemented to this agreement)

We propose the following fee and payment schedule:

Topographic Survey and Drafting, billed after completion of the survey.	\$ 6,800
Hydrologic/Hydraulic Study, billed after completion of study.	\$ 5,100
Final Design Plans, Roadway Design, Box Culvert Design, Permits, Attendance at Bid Letting, Plan Distribution, Answer Bid Questions, Billings will be completed monthly until letting date.	\$ 5,600

Construction Engineering fees will be negotiated at the time of construction and will be at an hourly rate plus expenses.

If you are in agreement with the scope and fees listed, a signed copy of this letter will serve as our contract. Please sign both agreements retaining one (1) copy for your files and return one (1) to our office for work to commence on this project.

Chairman
Dodge County Board of Supervisors

Tim Farmer, P.E.
Speece Lewis Engineers, Inc.
