Dear County Board Members:

This letter is a request to approve funding to purchase two patrol vehicles and one civil process vehicle this coming budget year. The current situation in obtaining police vehicles is still very difficult and I don't know exactly when I will be able to order them. There are no state bids at this time and I have estimated the costs based on the last vehicles that we ordered. My estimate is that, the two Chevrolet Tahoes will be around, \$45,000.00 each and a Chevrolet Blazer will be \$38,000.00, so I believe that we should budget \$130,000.00 for the vehicles.

Following is a list of the vehicles to be replaced and the current mileage:

2017 Ford Explorer – 151,137 miles

2015 Ford Explorer – 160,898 miles

2016 Ford Explorer – 155,756 miles

The replacements would be as follows:

2 – 2023 Chevrolet Tahoe PPV - \$45,000.00 each.

1 – Chevrolet Blazer - \$38,000.00

Total cost: \$ 128,000.00

It will probably be well after the January, before we have the last new vehicles that we ordered on the road and the cruisers that they are replacing off the road. Hopefully these new vehicles will be delivered soon after that. The mileage on the above vehicles will be considerably higher by that time. Thank you for your consideration in this matter. Please contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Robert D. Reynolds".
