## STAFF REPORT

TO: Dodge County Board of Supervisors  
FROM: Shelly Holzerland  
DATE: May 17, 2023  
SUBJECT: Nomination for NRIN Governing Board

---

**Background:** The Nebraska Regional Interoperable Network (NRIN) is a regional and statewide wireless data communications sharing network that is owned by Nebraska's local governments. Its purpose is to connect Public-Safety Answering Points (PSAPs) or 9-1-1 centers. In 2015, Dodge County entered in to an Interlocal Agreement that made the PSAP part of NRIN. As a member county, Dodge County is entitled to vote for the NRIN Board of Governors. This board oversees and manages the network.

I was nominated on May 8, 2023 by the East Central Nebraska Emergency Management planning/training/exercise region. There are no other nominees for this region.

As the Communications Director, I am in the best position to help manage this network and help deliver its benefits not only for Fremont/Dodge County but for all PSAPs in Nebraska. I have faithfully attended the meetings and participated in the activities required to develop and promote this network.

I respectfully request reappointment to the NRIN Governance Board for another term.
