

Good Day, Citizen of Dodge County!

This booklet is designed to help you understand county government. It's divided into three areas.

The first section, the directory of county officials and the "Where to go for", provides a means to get your questions and problems answered by the appropriate person. It answers all the questions of who, what, where and when.

The second section deals with elections. Included are places to register and polling places.

The third section deals with the most complex problem of county government, budgets and taxation. An effort has been made to help you figure your property taxes, find out where the taxes are distributed, and identify other sources of money for the county besides direct taxation.

Trying to help,

MICKI GILFRY

County Clerk

History to Remember!

On August 1, 1956, the burial of a capsule containing records of Fremont Centennial and other 100th anniversary articles was held. Fremonters were invited to attend. The capsule was welded air tight and encased in concrete before being dropped into its resting place near the courthouse steps, not to be dug up for 100 years.

VOTING QUALIFICATIONS

To qualify to register to vote you must be a resident of this county for at least 1 day prior to the Election and obtain the minimum age of 18 before the General Election date of any year. The only trick to this requirement is that the deadline for registering to vote at any election is 2 Fridays before the election. Once registered, the only time you would have to reregister would be if your name would change, your address would change, or you wish to change political party affiliation.

Congress passed the "Motor Vehicle Law" and was incorporated into State Law. You can also register at Drivers' Examiners, state and federal agencies, or by mail by calling our office for the forms. There may be voter registration forms in phone books or state income tax booklets or on the county's website at www.dodgecounty.nebraska.gov/ under County Offices and Election Commissioner. Mail-in registrations for new voters must be postmarked by the 3rd Friday prior to an election. The County Clerk can take registrations in office up until the 2nd Friday before elections.

HOW TO FIGURE YOUR TAXES

CHECKLIST:

Check what taxable districts your residence lies in.

Obtain the total Consolidated Tax Levy by adding the levies of each taxable district of your residence.

Check the Assessed Value of the property, business, or motor vehicle to see if it is accurate.

Divide the amount of Assessed Value by 100 and then multiply the answer by the consolidated tax levy-the final answer is your tax.

Check for exemptions and subtract the exemption credits.

Now, think about how to pay for them at the treasurer's office or on-line at <https://dodge.gworks.com/> (If paying on-line, click on the \$ sign and enter your name, parcel # or address.)

EXAMPLE:			
Suppose I live in the City Limits of Fremont and the Assessed Value of my property is \$100,000, Assume a Homestead Exemption of \$30,000.			
1-The taxing districts are the following:			
	District	Levy (\$'s/\$100)	
	City of Fremont	0.302919	
	School District No.1	1.223599	
	Educational Service Unit No. Two	0.015000	
	Metropolitan Technical College	0.095000	
	Dodge County	0.224830	
	Lower Platte North Natural Resources District	0.031404	
	Dodge County Agricultural Society	0.002387	
	2-Total Consolidated Levy	1.895139	
3-My assessed value of my property looks accurate.			
4-Since levies are listed in cents per \$100 of assessed property, I must divide the property value by \$100. Assessed property divided by 100: 100,000/100 equals 1,000 Total Consolidated Tax levy multiplied by the number of each \$100 of property: 1.895139 times 1,000 equals \$1,895.14 , the taxes due.			
5-State Tax Credit of .00102.21 of \$100,000 value = \$102.21			
6-I have a homestead exemption of \$30,000. So, I must repeat the process to obtain my tax credit: 30,000/100 equals 300 1.895139 times 300 equals \$568.54 , the tax credit.			
Taxes		\$1,895.14	
- State Tax credit		-\$102.21	
- Homestead Exemption credit		-\$568.54	
Adjusted Taxes Due		\$1,224.39	
6-Now, I go to the Treasurer's Office or on-line and pay my taxes.
