**SUMMIT GROVE**  
A Pioneer Cemetery  
Established 1873

**Annual Report**  
**August 2020**

**Summit Grove Preservation Group**  
**North Bend, Nebraska**

**2020 has been a very interesting year. Because of the Coronavirus, we haven't accomplished any new projects at Summit Grove yet.**

**As always, we like to thank Bruce Ferguson and his helpers for keeping the cemetery mowed and in good shape and also for keeping the flag flying whenever the weather allows it.**

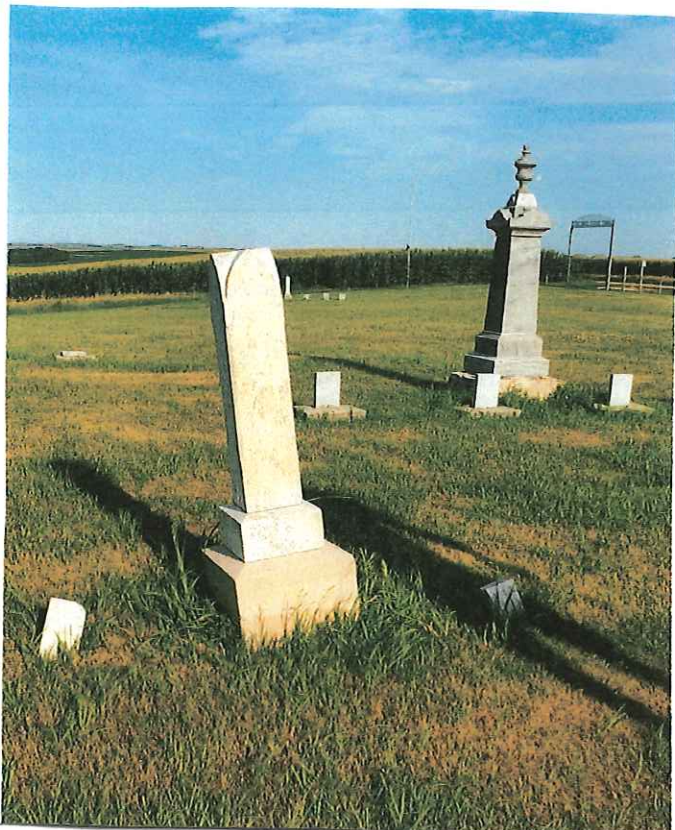

**We do have a few things that need our attention. Hopefully in the fall when the weather is a little cooler we can get started on them.**

**First is fox holes. We have had some fox wreaking havoc with a few areas in the cemetery. Those will need to be filled in.**

**There are also several stones that are leaning and need to be straightened up and leveled. We will either do that ourselves or if time does not allow we will have Earl Boston at West Point Monument take care of those.**

The area where the mausoleum was is in need of some straightening of the fence area and that is where a number of fox holes are located.

Also the stone of William Adams is sinking into the ground and will need to be dug out and have a cement base put under it.

**The cemetery is as beautiful as always and we sincerely appreciate  
your efforts in helping us to keep it maintained.**

**Thank You!
