Dodge County Board of Supervisors:

Keep Fremont Beautiful hosted the Household Hazardous Waste Collection Event on October 10, 2020. The event was offered to residents of the City of Fremont, Dodge County and the surrounding area. KFB was able to secure a \$21,302.00 Waste Reduction and Recycling Grant through the Nebraska Department of Environment and Energy.

This grant award pays for the majority of the costs associated with the event. In order to qualify for these grant funds, KFB must show a fifty percent cash and in-kind match. Dodge County provides a \$2,000.00 contribution to help fund the total match amount. The remainder of the cash and in-kind match is provided by the City of Fremont, local businesses, civic organizations, the KFB Partners Association and volunteer labor assistance.

Keep Fremont Beautiful would not qualify for grant funds without the continued assistance from Dodge County. Thank you for your support of this valuable community service project.

Sincerely,

Casey Vaughan  
Executive Director  
Keep Fremont Beautiful
