Barbara & John Harrington Tax Roll Corrections

At the January 27, 2021 meeting of the Dodge County Board of Equalization, Tax Roll Corrections were approved for Barbara and John Harrington. In 2017, 38.25 acres were sold and the reduced number of acres did not get adjusted in the Assessor's office. Since this did not happen, the Harrington's were billed for the taxes in 2018 and 2019 and they were paid. Once the taxes are paid, money is distributed to each taxing entity in the Tax District in which the property is located. This correction makes it necessary to reimburse these taxes back to the Harrington's.

When a Tax Roll Correction has been approved by the County Board of Equalization, it is given to the County Treasurer's office to process the refund. According to Statute 77-1736.06 (a copy is enclosed) I, as the County Treasurer, must notify any Political Subdivision within the tax district the property is located in if the amount of refund is over \$200.00. The Statute further states that if this is a hardship you are allowed to repay it within five (5) years. However, you would need to provide this office with a letter indicating it would be a hardship.

I am enclosing several pages of documentation to assist you in understanding how I arrived at the amount of funds you will need to reimburse. You originally received the tax distribution based on the assessed amount billed and paid by the property owner. The reports indicate the amount originally collected as well as the Agland Credit for both 2018 and 2019. I have included a spreadsheet indicating the amount of refund you will need to return. The total amount due from DODGE COUNTY for both tax years is \$1,329.75 (\$684.20 for 2018 + \$645.55 for 2019). The simplest method is to deduct these funds from your account. If that is agreeable to your Board, I would need a letter allowing me to do this.

I have included copies of the Tax Roll Corrections and copies of the 2018 and 2019 Tax Statements showing what was originally billed. There are also spreadsheets showing a breakdown of tax amounts previously distributed to each subdivision. You will have Original and Corrected Tax Levy sheets and Original and Corrected Tax Credit sheets, all of which need to be reimbursed.

I hope this letter is a fair explanation of the matter, however, if you have any questions feel free to contact me.

Sincerely,

Gail J Bargstadt **Dodge County Treasurer**

Chapter 77 Section 1502

77-1502.

Board; protests; report; notification.

- (1) The county board of equalization shall meet for the purpose of reviewing and deciding written protests filed pursuant to this section beginning on or after June 1 and ending on or before July 25 of each year. Protests regarding real property shall be signed and filed after the county assessor's completion of the real property assessment roll required by section 77-1315 and on or before June 30. For protests of real property, a protest shall be filed for each parcel. Protests regarding taxable tangible personal property returns filed pursuant to section 77-1229 from January 1 through May 1 shall be signed and filed on or before June 30. The county board in a county with a population of more than one hundred thousand inhabitants based upon the most recent federal decennial census may adopt a resolution to extend the deadline for hearing protests from July 25 to August 10. The resolution must be adopted before July 25 and it will affect the time for hearing protests for that year only. By adopting such resolution, such county waives any right to petition the Tax Equalization and Review Commission for adjustment of a class or subclass of real property under section 77-1504.01 for that year.
- (2) Each protest shall be signed and filed with the county clerk of the county where the property is assessed. The protest shall contain or have attached a statement of the reason or reasons why the requested change should be made and a description of the property to which the protest applies. If the property is real property, a description adequate to identify each parcel shall be provided. If the property is tangible personal property, a physical description of the property under protest shall be provided. If the protest does not contain or have attached the statement of the reason or reasons for the protest or the applicable description of the property, the protest shall be dismissed by the county board of equalization.
- (3) Beginning January 1, 2014, in counties with a population of at least one hundred fifty thousand

8/9/2016

inhabitants according to the most recent federal decennial census, for a protest regarding real property, each protester shall be afforded the opportunity to meet in person with the county board of equalization or a referee appointed under section 77-1502.01 to provide information relevant to the protested property value.

- (4) No hearing of the county board of equalization on a protest filed under this section shall be held before a single commissioner or supervisor.
- (5) The county clerk or county assessor shall prepare a separate report on each protest. The report shall include (a) a description adequate to identify the real property or a physical description of the tangible personal property to which the protest applies, (b) any recommendation of the county assessor for action on the protest, (c) if a referee is used, the recommendation of the referee, (d) the date the county board of equalization heard the protest, (e) the decision made by the county board of equalization, (f) the date of the decision, and (g) the date notice of the decision was mailed to the protester. The report shall contain, or have attached to it, a statement, signed by the chairperson of the county board of equalization, describing the basis upon which the board's decision was made. The report shall have attached to it a copy of that portion of the property record file which substantiates calculation of the protested value unless the county assessor certifies to the county board of equalization that a copy is maintained in either electronic or paper form in his or her office. One copy of the report, if prepared by the county clerk, shall be given to the county assessor on or before August 2. The county assessor shall have no authority to make a change in the assessment rolls until there is in his or her possession a report which has been completed in the manner specified in this section. If the county assessor deems a report submitted by the county clerk incomplete, the county assessor shall return the same to the county clerk for proper preparation.
- (6) On or before August 2, or on or before August 18 in a county that has adopted a resolution to extend the deadline for hearing protests, the county clerk shall mail to the protester written notice of the board's decision. The notice shall contain a statement advising the protester that a report of the board's decision is available at the county clerk's or county assessor's office, whichever is appropriate.
