Subject: Charter Communications - Upcoming Changes

Dear Franchise Official:

We value our customers and are committed to providing them with the latest products and technology. Programming fees charged by TV networks we carry are the greatest single factor in higher cable prices, and they continue to rise. Despite our best efforts, programming fees and other rising costs have impacted our pricing, resulting in in changes to the rates we charge our customers.

Customers are being noticed via bill message regarding the following pricing changes that take effect on or after April 15, 2022. Note that these increases will not affect current customers' promotional rates until the end of the promotional period.
