Agenda Item # 16
Date 10/19/22

September 13, 2022

Bob Missel
Chairman, Dodge County Board of Supervisors
427 N Birchwood
Fremont, NE 68025

Mr. Missel:

The Nebraska Department of Transportation (NDOT) is providing this letter to clarify its position regarding the Economic Opportunity Program (EOP) agreement (AL2104) between the State and Dodge County. The State acknowledges the previous business does not intend to move forward and the County completed the transportation project. The State will reimburse the County, consistent with the terms in AL2104, as long as the County can find a suitable substitute business by December 31, 2024 that meets the criteria established by the EOP panel. The substitute business must be willing to execute a Program Agreement with the County, consistent with provision 3.6 of AL2104.

Sincerely,

John Selmer
Director, Nebraska Department of Transportation
