Dodge County Clerk
Fred Mytty
435 N Park, Room 102
Fremont, NE 68025-4977

Your past support of the Nebraska Loess Hills Resource Conservation and Development (RC&D) Council is truly appreciated! Your sponsorship allows the Council to develop and implement projects which improve the quality of life in Burt, Cuming, Dakota, Dodge, Thurston, and Washington counties. Enclosed is the Council's 2022 Annual Report which highlights some of the projects completed in 2022 including:

- The Nebraska Loess Hills RC&D Council received a grant from Nebraska Department of Environment and Energy to hold (3) Household Hazardous Waste collections. Host communities were Jackson, Lyons, and Wisner. A total of 10,675 lbs. of hazardous waste plus 166 fluorescent bulbs were collected. Hazardous waste was collected from 150 vehicles that included 199 households. A total of 25 volunteers helped make these collections a success.
- The Nebraska Loess Hills RC&D Council created a scholarship for current high school seniors, current college students and non-traditional students. The scholarship application was distributed to the high schools in our service area. The Nebraska Loess Hills Resource Conservation & Development (RC&D) Council offered (2) \$500 scholarships to (2) individuals within the service area. Applications were received from every county and many great applications were reviewed.
- The Nebraska Loess Hills RC&D Council helped unload vehicles and collect surveys from the PMRNRD E-Waste Collections held at Dakota City, Walthill, Tekamah, and Blair.

In 2022, RC&D Council Board members and community volunteers organized by the Council donated more than 500 hours to RC&D projects in our local communities. In addition to completing 8 projects, these efforts furthered progress in other ongoing projects. Your support made this possible!

Your support is just as important now than ever!! The RC&D Council is committed to continuing its work. Sponsor support is vital to facilitating RC&D projects. We have enclosed a Sponsorship Renewal Invoice for 2023 in the amount of \$350.00. Projects planned for 2023 include (3) household hazardous waste collections, an electronic waste collection, and several others. These projects save local government and taxpayers significant dollars, preserve resources and protect the environment.

Over—

The Nebraska Loess Hills RC&D is a proud member of the US Department of Agriculture's Circle of Diamonds – awarded to a select number of RC&D Councils nationwide for demonstrating, "Excellence by an RC&D Council".

Sponsors directly impact the quality of life in area communities through active involvement in the Council's Board of Directors. This Board identifies area needs, adopts projects and goals, and formulates strategies for project completion. Sponsors may choose to designate a representative to serve on the Board of Directors.

We truly hope you will continue to support the Nebraska Loess Hills RC&D Council. Enclosed is contact information for the Council's Board of Directors. Please do not hesitate to contact the Board for more information or to suggest projects or partnerships which improve the quality of life in the RC&D service area.

Sincerely,

John Ross

Introduction:

❖ Purpose

The Purpose of the Nebraska Loess Hills RC&D Council, Inc. is to serve the will of local residents to the best of their ability with the tools they have available.

Vision Statement

People working actively and in cooperation to strengthen communities.

Mission Statement

Manage and conserve natural resources and develop human capital for present and future generations.

❖ Goals

GOAL A: ENHANCE & PROTECT LAND-BASED NATURAL RESOURCES & PROMOTE ENVIRONMENTAL STEWARDSHIP

GOAL B: ENHANCE & PROTECT WATER-BASED NATURAL RESOURCES & PROMOTE ENVIRONMENTAL STEWARDSHIP

GOAL C: PROMOTE TOURISM AND DEVELOP RECREATIONAL OPPORTUNITIES IN THE RC&D'S SIX COUNTY AREA

GOAL D: PROMOTE LAND STEWARDSHIP BY WORKING WITH LOCAL GROUPS TO OFFER RECYCLING OPPORTUNITIES

GOAL E: DEVELOP HUMAN RESOURCES IN THE SIX COUNTY RC&D AREA BY INCREASING PARTICIPATION IN RC&D EVENTS.

❖ History

- October 9, 1991 - The first informational meeting about the RC&D program was held for area residents at the Legion Hall in Walthill.
- March 1, 1992 - A steering committee was formed which proceeded to develop Bylaws and secure Articles of Incorporation and apply to the Secretary of Agriculture for authorization.
- September 23, 1992 - After numerous Steering Committee meetings, meetings of the Application and Bylaws Committees, twelve informational presentations, and six public participation meetings, the Nebraska Loess Hills RC&D Council was formed.
- September 24, 1992 - an application for authorization from the RC&D Board of Directors was submitted to (then) SCS State Conservationist Ron Moreland, which was forwarded to (then) U.S. Secretary of Agriculture Edward Madigan.
- November 16, 1992 - Bylaws and Articles of Incorporation were adopted.
- January 11, 1993, the Nebraska Loess Hills RC&D Council became incorporated in the State of Nebraska.
- October 18, 1993 - the Council presented their second proposal for authorization to (then) Nebraska SCS State Conservationist Ron Moreland.
- August 10, 1994 - The Nominal Group Process was used to develop and prioritize Goals, Objectives, and Action Items for the group's first Annual Plan of Work (approved by the RC&D Board of Directors on September 28, 1994).
- April 11, 1995 - A logo development contest was held, and a winner was selected – it was a pencil drawing of our current logo. (Color was added to the logo in 2001 and was again updated in 2009).
- October 15, 1997 - Another application for authorization was submitted to Dan Glickman, U.S. Secretary of Agriculture.
- December 3, 1997 - Received a Federal Tax Identification Number from the IRS.
- April 13, 1998 - The Internal Revenue Service determined the Nebraska Loess Hills Resource Conservation and Development (RC&D) Council Incorporated, to be exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).
- September 7, 2000 - The Board of Directors, despite being passed over for funding numerous times, was persistent and submitted another application for funding.
- January 4, 2001 - Secretary of Agriculture Dan Glickman authorized the Nebraska Loess Hills RC&D.
- April 15, 2011 – President Barack Obama approved the termination of the RC&D Program nation-wide. Staff was given 3 days to redistribute all furniture and vehicle and to vacate the office.
- 2011 to present – The RC&D Council operates on donations from public entities, business, and private citizens.

Declaration of the Area of Operation:

The Nebraska Loess Hills RC&D consists of six counties – Burt, Cuming, Dakota, Dodge, Thurston, and Washington – encompassing 1,671,808 acres in East Central and Northeastern Nebraska. The Omaha and Winnebago Indian Reservations occupy all of Thurston County and small portions of Burt and Cuming Counties. The area is predominately rural with a population of 100,358 (2000 U.S. Census). About two thirds of area residents live in 38 communities. The largest communities are: Fremont– 25,174; South Sioux City – 11,925; and Blair – 7,512. The median size community in the area is 693. The area hosts 37,823 households. Per capita income for the RC&D area is \$24,927. 10.3% of area residents live in poverty.

The six-county Nebraska Loess Hills RC&D Area covers approximately 2600 square miles and is bordered on the east by the Missouri River and the Platte River on the south. A third major river, the Elkhorn, flows through three counties in the southwest part of the area. All three rivers provide recreation for Nebraska and Area residents as well as habitat for several threatened or endangered species such as the Bald Eagle, Piping Plover, Interior Least Tern, and the Pallid Sturgeon. The Missouri River is the primary source of domestic and municipal water supply for several large cities and communities in Nebraska and neighboring states. About 100 miles of Missouri River shoreline border the Nebraska Loess Hills RC&D Area.

All soils begin as rock or “Parent material”. Destruction of certain properties of parent material leads to unconsolidated forms of “rock” in which soils are forming. Soils can be moved by wind, water, gravity, man/animals, or glaciers. Those soils transported by wind are either loess (pronounced luss), or aeolian sand (windblown sand). Except for the “Sand Hills” where soils formed in aeolian sand, loess is the parent material for many soils throughout Nebraska. A large portion of the Nebraska Loess Hills RC&D Area lies in the Loess Uplands and Till Plains Major Land Resource Area (102B). About 15% of the area lying along the Missouri River Valley is in the Iowa and Missouri Deep Loess Hills Major Land Resource Area (107N). A small area in southwestern Washington and southeastern Dodge counties is located in the Nebraska and Kansas Loess Drift Hills Major Land Resource Area (106). All three Major Land Resource Areas are characterized by rolling to hilly topography with narrow to moderate ridge tops dissected by numerous drainage-ways. Predominant soils are typically well-drained upland soils with silty clay loam surface layers formed in loess with underlying material of silty clay loam or silt loam. Water erosion (sheet & rill, ephemeral, and gully) is the primary resource concern on these soils.

Warm summers and cold winters characterize the climate of the area. Monthly average high temperatures are in the 20s (degrees F) in January and 80s (degrees F) in July. Annual precipitation averages 24”-26”, with 60% of the precipitation occurring during the May to October growing season.

Types of RC&D Assistance:

GOAL A: ENHANCE & PROTECT LAND-BASED NATURAL RESOURCES & PROMOTE ENVIRONMENTAL STEWARDSHIP...

- ✓ The Middle Missouri Valley Weed Management Area is made up of 5 County Weed Superintendents who work together as a group, facilitated by the RC&D, to identify and treat noxious and invasive weed species. The Weed Management Area did not complete any projects as a group, but rather engaged in helping one another on an as-needed basis.

GOAL B: ENHANCE & PROTECT WATER-BASED NATURAL RESOURCES & PROMOTE ENVIRONMENTAL STEWARDSHIP...

- ✓ The Nebraska Loess Hills RC&D Council received a grant from Nebraska Department of Environment and Energy to hold (3) Household Hazardous Waste collections. Host communities were Jackson, Lyons, and Wisner. A total of 10,675 lbs. of hazardous waste plus 166 fluorescent bulbs were collected. Hazardous waste was collected from 150 vehicles that included 199 households. A total of 25 volunteers from the Village of Jackson, City of Lyons, City of Wisner, Papio-Missouri River NRD, and the Nebraska Loess Hills RC&D Council helped make these collections run smoothly and successfully.
- ✓ The Nebraska Loess Hills RC&D Council assisted in unloading vehicles and collecting surveys at the PMRNRD E-Waste collections held in Dakota City, Walthill, Tekamah, and Blair. 298 loads totaling 33,385 lbs. of e-waste was brought in from 317 households and 55 businesses. The contractor will recycle more than 97% of this waste. Six RC&D board members helped at these collections.

GOAL C: PROMOTE TOURISM AND DEVELOP RECREATIONAL OPPORTUNITIES...

- ✓ The RC&D hosts and facilitates the Lewis & Clark Scenic Byway which is a group dedicated toward promoting area attractions and services which may be of interest to travelers and tourists.
- ✓ The RC&D worked with the Lewis & Clark Scenic Byway to conduct a "Scavenger Puzzle Hunt" throughout the summer. Visitors collected puzzle pieces from participating business and museums. Prizes were given for how many puzzle pieces were collected.
- ✓ The RC&D worked with the Burt County Road Dept, the Nebraska Dept of Roads, and the City of Oakland, to erect 3 signs for canoe access along the Logan Creek.
- ✓ The RC&D is maintaining a tourism rack at the Jackson Pump & Pantry to provide tourists with brochures of things to see along the Lewis & Clark Scenic Byway.

GOAL D: PROMOTE LAND STEWARDSHIP BY WORKING WITH LOCAL GROUPS TO OFFER RECYCLING OPPORTUNITIES...

- ✓ The RC&D coordinates and conducts several recycling opportunities for area residents including: E-Waste collection; Household Hazardous Waste collections; and Scrap Tire Collections.

GOAL E: DEVELOP HUMAN RESOURCES IN THE SIX COUNTY RC&D AREA BY INCREASING PARTICIPATION IN RC&D EVENTS.

- ✓ The Nebraska Loess Hills RC&D Council discussed, approved, and created a scholarship for current high school seniors, current college students and non-traditional students. The scholarship application was distributed to the high schools in our service area as well as an article in the area newspapers advertising this opportunity. The Nebraska Loess Hills Resource Conservation & Development (RC&D) Council offered (2) \$500 scholarships to (2) individuals within the service area of Burt, Cuming, Dakota, Dodge, Thurston, and Washington counties. The scholarships primarily were offered to individuals that showed volunteering in community events. This was the first year the RC&D offered this scholarship and believe it was a success. Applications were received from every county and many great applications were reviewed. These year's scholarship recipients were Noel Monif, a high-school senior at Tekamah-Herman and Michael Bracht, West Point, a 3rd year college student at IA State University.

Completed Projects in 2022

<u>Project#</u>	<u>Project Name</u>
22-375	Scholarship
22-376	PMRNRD E-Waste
22-377	Sign for Oakland's Logan Access
22-378	E-Waste Grant – 2022
22-379	HHW Grant – 2022
22-380	HHW Collection for 2022 (Jackson, Lyons, Wisner)
22-381	Lewis & Clark Scenic Byway -2022
22-382	Tourism Display - 2022

Impact of the Council's Projects in the Area of Operation:

The Nebraska Loess Hills RC&D Council completed 8 projects in 2022. Over thirty-five volunteers donated more than 500 hours to RC&D projects. Financially, the total value of the projects completed in 2022 was over \$55,000.00.

Major Impact Projects

- **Household Hazardous Waste Collection**
The Nebraska Loess Hills RC&D Council received a grant from Nebraska Department of Environment and Energy to hold (3) Household Hazardous Waste collections. Host communities were Jackson, Lyons, and Wisner. A total of 10,675 lbs. of hazardous waste plus 166 fluorescent bulbs were collected. Hazardous waste was collected from

150 vehicles that included 199 households. A total of 25 volunteers helped make these collections a success.

- ❑ **RC&D Scholarship**
 The Nebraska Loess Hills RC&D Council created a scholarship for current high school seniors, current college students and non-traditional students. The scholarship application was distributed to the high schools in our service area. The Nebraska Loess Hills Resource Conservation & Development (RC&D) Council offered (2) \$500 scholarships to (2) individuals within the service area of Burt, Cuming, Dakota, Dodge, Thurston and Washington counties. Applications were received from every county and many great applications were reviewed.
- ❑ The Nebraska Loess Hills RC&D Council helped unload vehicles and collect surveys from the PMRNRD E-Waste Collections held at Dakota City, Walthill, Tekamah, and Blair. 298 loads totaling 33,385 lbs. of e-waste were brought in from 317 households and 55 businesses.
- ❑ **Board meetings and Little News mailings.**
 More than 1800 copies of the agenda and Little News were sent to board members and the public.
- ❑ **Completed Projects**
 The NLHRCD completed 8 projects in FY 2022.
- ❑ **Volunteerism**
 Over 35 volunteers donated more than 500 hours of time working on RC&D projects.

Council's Financial Summary (Oct. 2021-Sept. 2022)

Income:	
Dues and Support from 26 members	\$11,400.00
Nebraska Department of Environment and Energy (NDEE)	\$2,803.75
Grant for Scrap Electronics Collection in Previous FY	
Cargill- Grant for Household Hazardous Waste Collection in Blair	\$15,000.00
Papio-Missouri River NRD- Grant for Household Hazardous Waste collection in Blair	\$3,982.00
Expenditures	
Household Hazardous Waste Collection in Blair	\$18,982.00
Council Operations	\$5,585.89
End of Year Balance	
Checking Account	\$31,891.46
Savings Account	\$1,524.86
Certificate of Deposit (CD)	<u>\$16,740.50</u>
Total	\$50,156.82
