Reference: Surplus Vehicle

Dear Lon,

I would like to request that the Dodge County Board of Supervisors declare the following vehicle from the sheriff's department surplus property. The vehicle has 188914 miles on it and the front of the frame is broken, which makes it unsafe to drive. The cost of repairs would be more than the car is worth. In addition that authorization is given, to take the vehicle to Jack Nitz and Associates for auction.

2013 Chevrolet Tahoe VIN: 1GNLC2E00DR159733

Respectfully,

Robert D. Reynolds,  
Chief Deputy
