AGREEMENT and SPECIFICATIONS
For
APPLIED TRAFFIC PAINT
For
DODGE COUNTY HIGHWAY DEPARTMENT

This agreement shall be between _____

Company Name

Of _____ hereafter

Address

Called the Contractor and the Dodge County Highway Department, hereafter called the County for applying centerline and edge striping to various hard surfaced roads of Dodge County located throughout the county conforming to the following requirements:

1. This Agreement and Specifications shall be a sealed bid and opened February 15, 2024 at 11:00 A.M. in the office of the Dodge County Highway Department, Room 204, 435 N. Park, Fremont, NE 68025.
2. The County will furnish a map showing the locations of the roads to be striped.
3. The County will furnish one employee to assist in the striping operation.
4. The yellow centerline and white edge stripe shall conform to the State of Nebraska width, length and spacing.
5. The paint to be used shall meet State of Nebraska specifications as traffic paint for striping.
6. The paint shall be applied on a clean, dry surface.
7. The paint shall be applied with reflective beads at the rate recommended by the State of Nebraska.
8. The amount of miles of centerline striping shall be **62.00 miles** more or less miles and the amount of edge striping shall be **46.0 miles** more or less miles.
9. The Contractor shall apply the paint at a time of low traffic volume.

10. The Contractor's equipment shall have adequate warning lights to warn the vehicular traffic of the work in progress.
11. The Contractor shall submit to the County with this bid a Certification of the Contractor's Liability Insurance verifying the following amounts: General Liability of \$1,000,000.00; Personal Injury of \$500,000.00; Medical Expense of \$5,000.00; Each Occurrence of \$500,000.00.
12. The Contractor shall be paid by the "Gallon Applied" method, which is to include reflective beads.
13. The Contractor shall have all striping work completed by June 15, 2024.

I, we, with the understanding of the stated above requirements, do hereby bid the following amount: \$ _____ per gallon applied.
