Dear Dodge County,

Thank you for your gift of \$26,806.32, received on 5/31/2023, to support Midland University. Your generous contribution ensures that we can continue to fulfill our mission to inspire students to learn and lead in the world with purpose. We are grateful for your support.

We strive every day to be relentlessly relevant. We are constantly looking for ways to grow and provide an education that meets the needs of employers. And because of your investment in our students, we can continue to serve as many students as possible.

From all of us here on campus, thank you again for your support of Midland University. We could not continue to do what we do without your support.

Sincerely,

A handwritten signature in blue ink that reads 'Laura'.

"Being a Warrior means that I am a part of a school that actually cares about who I am and what I can bring to the future. Our professors take extra care to know their students and guide them to where they want to be after graduation. All of these professors have inspired me to pursue a career that I love and pushed me to grow into the person I am today. I would not have found what I love to do without Midland."
