RE: Money for Minutes Award

Dear Scott:

Congratulations! Enclosed you will find Dodge County's road safety committee Money for Minutes award check in the amount of \$500.00. Dodge County's safety committee was one of ten NIRMA member safety committees that won this award.

The Dodge County's road safety committee received this award because of its dedication to loss prevention and safety. To qualify the committee had to hold at least one safety committee meeting per quarter, discuss all incidents, events, and injuries, make recommendations regarding how to prevent recurrence of similar incidents and submit minutes outlining this to NIRMA.

The Money for Minutes program was created to do two things; motivate member counties and agencies to comply with Neb. Rev. Stat. § 48-433 by establishing a safety committee and recognizing a number of those that do.

The Money for Minutes funds are intended to be used by the winning county or agency safety committee to further their loss prevention and safety efforts. NIRMA would prefer that the funds are not simply deposited into the general fund.

Again, NIRMA wishes to thank the Dodge County's road safety committee for their loss prevention and safety efforts during the 2023 calendar year.

Sincerely,

A blue ink signature of Craig Nelson, written in a cursive style.
