Dear Supervisor Tawney:

Per Nebraska state statute, the behavioral health regions must certify that county tax dollars are collected to match a portion of the state revenue allocated by Nebraska Department of Health and Human Services.

The total preliminary FY25 county match requirement for Dodge County is \$97,496 for the fiscal year beginning July 1, 2024. This amount is subject to pending County budget allocations.

Should you have any questions or need additional information, please let me know.

Sincerely,

DocuSigned by:
