

NOTICE OF PRIMARY ELECTION

From the office of County Clerk, Dodge County, Nebraska

Notice is hereby given that on Tuesday, May 15, 2018, at the following polling places in the precincts of Dodge County, Nebraska, an election will be held. The polls will open at 8:00 A.M. and will close at 8:00 P.M.

Said election will be held for nominating candidates to various offices.

In most nonpolitical races for nominations to the General Election ballot, where the names of the candidates properly filed for election do not exceed twice the number of vacancies to be filled, all so filed shall be declared automatically nominated and no primary election will be held for these races.

Voters in the City of Fremont will vote on three bond issues for the purpose of constructing and equipping an addition to the Fremont Splash Station, for the purpose of constructing and equipping an addition to Keene Memorial Library and for the purpose of renovation and equipping the City Auditorium. Each bond issue is in the principal amount not to exceed \$2,000,000. The exact text of the bond issues will appear when sample ballots are published.

Nebraska's Primary Election is commonly known as a "closed primary". Only voters registered to a party may vote on their parties' nominees with the exceptions explained in the following paragraph for nonpartisan voters. To vote for a race of a certain party in the Primary, you have to be registered as a member of that party. Of course, all voters will be allowed to vote on the nonpartisan races and in the General Election, you may vote for any party candidates. The deadline to change parties for the Primary Election is May 4, 2018.

Legislative Bill 56e was passed in 2014 which made county official races automatically nominated to the General Ballot if there are no more than one candidate per party. In addition, for some time now, nonpartisan voters because they are U.S. Citizens, courts and legislation have ruled that they may vote for federal races of the party candidates of their choice. State law allows state parties to extend that beyond federal races. The State Democratic Party has allowed their entire ballot opened to nonpartisan voters. The Republican and Libertarian Parties only allow nonpartisan voters to vote on the federal races, U.S. Senate and House of Representative races. A nonpartisan registered voter must ask for this additional special ballot.
